

Sixth International Conference on Analysis and Applied Mathematics ICAAM2022

CERTIFICATE of PRESENTATION

This is to certify **Prof. Dr. Nurlan Imanbaev** has presented a talk entitled
On eigenvalues of the perturbed differentiation operator on a segment
in the Sixth International Conference on Analysis and Applied Mathematics ICAAM2022.

This conference provides a platform for scientific experts in mathematics to present their recent works, exchange ideas and new methods and to bring together mathematicians to improve collaboration between local and international participants.
Detailed information about the conference can be found at <http://icaam-online.org/index.html>.
